**FOR IMMEDIATE RELEASE:**

**Culture and Heritage Website and Program Guide Launched**

The Town of Okotoks is pleased to announce the launch of the Okotoks Culture and Heritage website and Program Guide. These two new information outlets will allow our visitors and members to fully connect with the Okotoks culture and heritage scene and all that our facilities have to offer.

The website, available at [www.okotoksculture.ca](http://www.okotoksculture.ca), features up-to-date information about the exhibits, programs, services and events offered at the Gallery, Museum and Rotary Performing Arts Centre. The website will offer online purchasing of performance and event tickets, registering for programs and purchasing products from the Gallery.

The new Culture and Heritage Program Guide, another means for people to get event and program information, will be available at local merchants and at the Gallery and Museum. It will also be distributed through Alberta Art Galleries and tourist information centres.

The website and program guide will be officially launched at the Okotoks Museum and Archives grand re-opening on December 12, 2009 from 1:30 - 3:00pm. Everyone is welcome to attend.
